A Modest Proposal

(as revised at end of 30 Oct 2003)

Goal: Integrated Sustainability Program Statewide–DOD & non-DOD

- Washington DOD Sustainability Partnership – charter (Feb 2004)
- All WA installations/infrastructure/bases/properties establish long-term sustainability goals (2004) and programs (2005) integrated with EMS
  - Expand understanding of sustainability (on-going) – training, briefing
  - Identify/integrate on-going initiatives
  - Recruitment effort - POCs from installations, bases and team members(Jan)
  - Identify mission challenges (by Mar 04)
  - Prioritization
- Get all DOD entities together to identify common goals (2005)
  - Establish state-wide goals that support common challenges and opportunities
- Involve federal, tribal, and state organizations (2006)
- Brief backs to leadership quarterly at JFLOC
